

Low income families in Augusta County struggle to afford oral surgery services

Will you be the change?

Join our new charitable oral surgery program

The Augusta Reg. Dental Clinic is looking for a visiting oral surgeon to provide extractions to low-income members of our community. Our 501(c)3 not-for-profit clinic got awarded a multi year grant to sustain a charitable oral surgery program and bring relief to our most vulnerable neighbors.

We are now eager to welcome a dedicated, self-starting professional to help us launch this initiative.

Flexible schedule

Full shift, half shift, once a month, once every two months etc. **We will work with your schedule and availability!**
